71. Notice of Motion Read by Mrs Cannan 2nd by Mr Leather
Amendment of Motion read by Mr Cubbon 2nd by Mr Ludford - Brooks
Chairman went around the table asking for comments on the amendment....
Mrs Cannan Happy to go with Mr Cubbon
Mr RogersAsks if retailers have been spoken to ? Was the Feedback positive? And
explained the SIGNAGE is a MUST.
Mr Leather Would rather go with Mrs Cannan`s Motion / dates and agrees Signage is
something we must look at / create. He went on to say active travel is the way forward and
we must push to achieve this.
Ms Quinney.... Agrees the whole space needs to be a social space, it is far too dangerous as
it is with people and cars using the same space.
Mr Cubbon Given it all a lot of thought and I think it is the hardest decision I have had to
make since being on this Board, BUT I do think it is right and I am sorry but we do need to try
this trial.
Mr Ludford – Brooks When I first saw this I was 100% against it, but with consideration
to Disabled parking and Signage I am happy to trial it, we need to confirm a date with DOI
and get them on board with
what they need to do.
Mr Horton Read out the stats from 2yrs ago explaining the figures and feedback from the
survey carried out, explaining he wished to use these fig`s as the last two years have been
impacted on by Covid.
He went on to say he was in favour but we must sort out Disabled parking and Signage. He
then read a quote from Mr Chris Boardman about accepting change. Also explained that if
any of the Traders had ideas
About what could go in the Square then the door is always open.
